

GUEST SAFETY

ENERTRAG HAS BEEN WORKING ON ENERGY-TRANSITION SOLUTIONS FOR 25 YEARS. IT PROVIDES ALL THE EXPERTISE REQUIRED FOR CONSTRUCTING AND SUCCESSFULLY OPERATING RENEWABLE ENERGY SYSTEMS.

ENERTRAG places top priority on your safety. Therefore, we'd like to request you follow our safety instructions.

SAFETY INSTRUCTIONS IN THE BUILDINGS AND ON COMPANY PREMISES

- Please report to **reception** or your contact.
- Request info about **on-site conditions**.
- Please wear your **visitor badge** in the buildings and on company premises so that it's easy to see.
- Please observe the **safety signs** that give you instructions or prohibit you from doing certain things.
- Always keep traffic and **escape routes** as well as **emergency exits** and extinguishers **clear**.
- Smoking **outside** the **designated areas**, **naked flame** and **fires** are not permitted.
- Please contact us if you want to **take photos**.
- Please stay on the surfaced paths and **close to your group**.

Feel free to contact us about any information or questions regarding safety at:

ENERTRAG SE
Gut Dauerthal
17291 Dauerthal, Germany

WE PRODUCE RENEWABLE ENERGY SUSTAINABLY TO KEEP THE WORLD A PLACE WORTH LIVING IN.

In an emergency

-  Stay calm.
-  Call 112, provide first aid if necessary.
-  Leave the building when you hear an emergency alarm sounding.
-  Take the shortest route outside to the assembly point. Follow our fire-fightin assistants' instructions. You may only leave the assembly point once the person responsible gives you permission.
-  Do not use a lift during evacuation.

Take note of the safety symbols

-  First-aid supplies
-  Defibrillator
-  Escape and rescue plans, escape routes, emergency exits
-  Fire detector
-  Fire extinguisher
-  Emergency notices
